SOUTHWIRE.COM

OUR STORY

As a family business, Southwire proudly continues building on our commitment to environmental stewardship and corporate sustainability by prioritizing stakeholder expectations, and supporting the wellbeing of our communities and the environment in which we live. To help us meet this commitment, we organize our sustainability strategy around five core tenets: Growing Green, Living Well, Giving Back, Doing Right, and Building Worth.

We Deliver Power…Responsibly®

We remain committed to the sustainability of our company for the next 100 years and beyond. As we strengthen this commitment, we continue to work hard every day to discover, develop and distribute sustainable solutions that exceed the expectations of our stakeholders around the world.

OUR MISSION
To be a *preferred provider* of solutions to the electrical industry by providing innovative products and services with exceptional quality.

OUR VALUES
Our *ONE Southwire* culture prioritizes the interests of our team members, customers, and communities through a continuous commitment to empowerment, trust, consistency, and inclusion.

OUR REACH
Nearly one in two new homes built in the United States contains our wire, and we produce half of the cable used to transmit and distribute electricity throughout the nation.

OUR PRODUCTS
Our product teams and dedicated resources work together to listen to and work with our customers, creating solutions that deliver unparalleled value through product innovation, safety and efficiency.

OUR SERVICE
Service is more than a word or a phone number; it's a tangible support system that assists you through the entire project cycle; from our knowledgeable customer service team, to our experienced field sales team, we're there every step of the way.

TABLE OF CONTENTS

TEMPORARY LIGHTING

AREA
LIGHTS

The Southwire Area Lighting range is built to offer maximum lumen output for large projects, while still keeping lighting at ground level. Included in this category group is the Wobblelight product group, featuring self-righting technology, and the ability to output light at 360°. Additionally, the balloon light category offers the latest in LED technology on heavy-duty stands to ensure the light is away from eye level. Southwire can light any jobsite with the perfect 360° lighting solution for you.

WOBBLELIGHT®

For 20 years, the Wobblelight® has provided reliable lighting on the jobsite. The self-righting technology paired with heavy-duty housing guarantees these products will provide years of service in the toughest environments.

PREFAB LED LANTERNS

T90200

Southwire prefab lanterns come in 4 different lumen models, each model, and has a custom wiring terminal allowing you to add your own cords to fit your specific needs. When wiring, you can use the provided strain relief connectors or the ½" threaded hubs designed to fit other Southwire fittings. Each model includes a retractable handle for ceiling mounting and low-profile stacking.

• Cord-free custom wiring terminal
• Accepts 12-gauge through 16-gauge SO cord
• 1/2" threaded hub for Southwire fittings
• Accepts most sizes of Romex® Brand and MC cable when used with correct fitting
• Includes steel 2x strain relief connectors
• Retractable hanging clip for low profile
• Made with a stackable design
• Replaceable fixture head & wiring terminal
• 5000K CCT
• 120V - 277VAC 50/60 HZ
• Custom wiring terminal block
• 3-in-1 dimmer (200W model)
• Outdoor weather rated (when used with weatherproof connectors)

HANGING LIGHT

OVERHEAD JOBSITE LIGHTING

JOBSITE OVERHEAD LIGHTING LAYOUT SERVICES

OSHA standard 1926.56(a) requires a jobsite to have 5 foot candles of light on the ground. Southwire can help you with your lighting layout to ensure that you keep your crew safe without overspending on unnecessary lights.

Contact your Southwire sales associate for more information about Southwire's Lighting Layout Tool
EMAIL: LIGHTING@SOUTHWIRE.COM

• Keep your jobsite safe with the right amount of light
• Avoid over-lighting a space and increasing install time
• Reduce your material spend

LET SOUTHWIRE LAYOUT YOUR JOBSITE LIGHTING

WHAT WE NEED FROM YOU
• **PROJECT DIMENSIONS:** Length x Width x Deck Height

• **REQUESTED FOOT CANDLE LEVEL:** How many foot candles do you need on your project?

• **WE CAN USE YOUR DRAWINGS TO CALCULATE JOBSITE DIMENSIONS:** Either .PDF or .IFC files

OVERHEAD JOBSITE LIGHTING

STRING
LIGHTS

Southwire offers a full range of industrial string lights to help you light any area. Perfect for corridors and longer rooms, the majority of our string lights are available in 50 ft. & 100 ft. strands. We make sure to bring you the best in LED technology while also continuing to carry traditional E-base socket string lights. Not sure which one to choose? Provide us with your project dimensions and we'll recommend a product that works specifically for your jobsite.

STRING LIGHTS

LED STRING LIGHTS WITH UP-LIGHT

Shine light along hundreds of feet with ease, utilizing these convenient and easy-to-install integrated LED string lights. With no bulb to break or replace, these products are low profile and will provide service for years to come.
