

# How to Track Shipments

Looking for order delivery tracking? It's simple!

1. Find the order in question by navigating through the Order History menu.
2. **PARCEL DELIVERIES:** Select the order and scroll down until you see the Delivery information, like below. This box will display the carrier, shipment date, and provide a tracking link for a more detailed view from the carrier.

**Order Details**

Order #4743900
