IN-PERSON TRAINING AT SOUTHWIRE SOLUTIONS UNIVERSITY

Southwire Solutions University provides a unique, hands-on training experience. By visiting our location in Carrollton, GA you will learn about unique products and services that help promote safety and productivity on every job. Our team is dedicated to training current and future leaders on safe and efficient wire and cable installation methods that ultimately lead to more profitable projects.

The Southwire Solutions University team is dedicated to training current and future leaders on best practices for cable installation methods.

EXPERIENCE OPTIONS

Our in-person training is available along 3 different timelines depending on your preference.

- 1 BLITZ**
This includes a 1 day visit where up to 6 hours of training can be comfortably accommodated. (Usually leveraged by drive-in groups)
- 2 STANDARD**
This includes a 2-day, 1-night visit to our training facility. 8 hours of courses are typically offered with 2 plant tours and one evening activity for relationship building.
- 3 ENHANCED**
This includes a 3-day, 2-night visit to our training facility. In addition to the hours of courses offered per day and 2-3 plant tours, this length of stay accommodates local entertainment options such as sporting events and outdoor recreation. (Current options available upon request)
- 4 DELUXE**
This includes everything from the "Enhanced" experience along with additional entertainment options in the Atlanta area. For convenience, one hotel night may be arranged in closer geographic proximity to the arranged entertainment options. (Current options available upon request)

** Internal note- Incremental expenses from options 3 and 4 would be absorbed by sales teams and supporting agents.
