Bare Aluminum Conductor
List Price Sheet
Effective: October 9, 2026

Southwire®

BA87

This price sheet supersedes all previous list price sheets.

PAYMENT TERMS

Net cash 30 days from date of invoice. All applicable taxes are purchaser's responsibility. Credit subject to approval by the General Office in Carrollton, Georgia.

ORDER ACCEPTANCE

Orders are binding after acceptance by the General Office in Carrollton, and all transactions are subject to Southwire's General Terms and Conditions. Orders will be invoiced on date of shipment.

QUANTITY PRICING, DELIVERY GROUPING, MINIMUM ORDERS

When an order is shipped from one location at one time to one destination, all utility products may be grouped to satisfy Southwire's 10,000-pound delivery term. The grouping of utility and building wire products is subject to special pricing inquiry. The minimum order size for in-stock items is one standard package, reel or coil, and is subject to a minimum billing total of $1000.00.
Orders for non-stock items are subject to minimum production requirements and will be established upon inquiry.

MANUFACTURING AND SHIPPING TOLERANCES

Standard lengths shown on this price sheet are subject to a manufacturing tolerance of -10% and +20%. Packages will be marked to show length and weight of material. Weights may vary within tolerances specified by ASTM. One standard package of specified total will be considered acceptable.

DELIVERY TERMS

Quotes are subject to and incorporate Southwire's Freight Policy and or Southwire's Energy Freight Policy, which is available on Southwire's website and or upon request from your Southwire representative.

RETURNABLE REELS

Steel Reels are often required for transportation and storage of product. Each reel will have an associated charge. Southwire will reimburse customer for the charge of the reel if reel is returned in a specified timeframe as outlined in Terms and Conditions on www.southwire.com.

***Indicates items normally carried in stock.**

Notes: "X" numbers designate coils. All other packages are reels with PACKAGE PROTECTION TYPE II.

See Packaging Information www.southwire.com

Steel core wire is galvanized Class A. Prices for B,C,AZ, & AW steel core wire are available on request.

Upon special request, ACSR is available in matched sets of reels. The variation in measured length of reels within each set shall not be greater than 150 feet.

Products listed on data pages which are not on price pages are available subject to special inquiry.

Base price is based on standard maximum reel sizes. For smaller reels and coils add 2% to the base price.
