Subject: Cord and Leadwire Price Increase effective Thursday, May 14, 2026

Dear Valued Customer,

Due to continued increases in COMEX Copper, along with other non-metal related cost pressures, Southwire has announced a price increase.

- Orders placed on or before: Wednesday, May 13, 2026 (close of business) will be honored at current pricing.
- New pricing effective: Thursday, May 14, 2026

Updated list price sheets will be available accordingly.

Estimated increase by product group:

- Cord Products: Range from 5% to 8%
- Leadwire Products: Range 5% to 15%

Thank you for your business and support.

Regards,
Southwire Company
