

**Southwire®**

# ~~CUMBERSOME~~ EFFECTIVE

## ABOUT

**PROJECT**

Worldwide Retailer

**CUSTOMER**

Patriot Electric

**PRODUCT**

7 X #10 CU THHN in ¾" Conduit

**LOCATION**

Midland Park, NJ

Patriot Electric has worked with Southwire on several projects over the past several years that required innovative solutions. So, when they were faced with an extremely tight deadline for their most recent project, they turn to Southwire for help.

They needed to find a way to make currently cumbersome processes more efficient, saving them time and allowing them to meet the deadlines required by the end user. Southwire's Contractor Solutions Professionals Team was able to provide a safe and effective solution to ensure the project would be completed on time.
