Price Increase: Aluminum Conductor MC Products, effective Wednesday, May 5, 2021

Dear Valued Customer:

Due to the continued rising prices in both raw materials and in supply chain, Southwire is announcing a price increase for all Aluminum Conductor MC products dated for May 5, 2021. This will reflect a 7% increase from prior levels. Please contact your Southwire sales representative for assistance with any questions.

Best Regards,

Laura Helms
